Remember to collect your credits with every visit!

Each time you use any of our services,  
you'll accumulate credit points based on your spending.  
For every **1 SGD** spent, you earn **1 credit** point.  
These points can be redeemed to receive discounts on  
your future sessions, helping you save more over time.

You're welcome to use your points toward any of our  
available services—just let us know when you're ready to  
redeem them!
